

OBIE'S 4F FECHTER'S FINGER FLICKING FROLIC

50th F.F.F.F. — April 22-25, 2020

This year is our ninth year with all-email invitations. If you change email addresses over the year, please let me (rjobie@gisco.net) and Glenn Brown (magimac@me.com) know so that you stay on the email list. If you don't have email, it will be your responsibility – we recommend you pay for the next year before you leave. The 50th 4F is a special year, so we recommend you register as soon as is possible -- once we fill up, registrants will be put on a waiting list.

This year's Guest of Honor: **Mark Mason**

Registration Fee & Deadline

The registration fee is \$225 US Funds – your payment is due no later than Wednesday, January 1, 2020 (after then, the rate goes up to \$275). Registrations received late or after we fill up will have their names added to the waiting list and may not be able to attend the convention. Refunds will be returned, less a \$15.00 administration fee, through April 1, 2020. After that, your registration is forfeited. Remember your invitation is not transferable to another magician. Send your check or international money order to:
